Yes, I am interested in joining the Magic Circle Theatre Guild, and hereby apply for or renew my membership. I understand that Active membership obligates me to work at least four times per season but I will aim to work at least once every month or performance. Working once every month helps me become more knowledgeable of all that the theatre has to offer so that I may share that information with our patrons. Associate membership is primarily for providing financial support with limited or no activities as listed above.
